SUBJECT: NSSD 8-82 - Interagency Group on the Horn
of Africa

Forwarded herewith for SIG-level clearance are the proposed NSDD, Executive Summary and Study Paper (with Annexes), revised per the recommendations circulated under our previous memorandum of July 21. SIG-level clearance is requested by COB August 5 to Mr. Tain Tompkins at 632-5804. Written comments may be addressed to him in Room 7241 of the State Department.

Addressees are asked to note that in addition to the suggested changes circulated under our July 21 memorandum the attached papers contain two new revisions. The first is a minor change to the second recommendation on Kenya (NSDD, page 3) incorporating the concept of overall budget constraints into this recommendation. The second change is the deletion of the previous final paragraph of the NSDD which approved the study paper as the "detailed elaboration" of the NSDD. Since final budget decisions can only be made through the regular budget process, deletion of the reference to the study eliminates any implication that the specific assistance levels mentioned in the study have been approved.
